- Jasper is our traditional 1st stop in the State Tournament. This is why it is so important to get a good start this Saturday. Everything we do (rehearsal, warm up, field set up & tear down) counts towards something from this point on.
- Our goal is to earn a Gold Rating (like solo & ensemble). That qualifies us for Regional in 2 weeks. Go to www.issma.net after 6:00 p.m. on Sunday to see where we draw for regional performance.
- **Parking** – will be the same as last year. Be sure to check the map.
- First band is at 11:00 (that's us!). We are one of 13 bands performing in our class. Check our web site at www.prideofpaoli.org ,or, www.issma.net for complete list of all the bands, all classes, all districts.

Winners focus on *“when they will,”* not *“if they can.”*
Winners feel like winners. **Losers** act like losers.
Why accept the challenge? *Because its there.*
Champions only accept excellence.
