## CLOTHES

Bring an extra shirt, for this will be a long day. You should bring a light jacket in case of cooler weather. Band shirts and shorts for the Paoli rehearsal

We are in the process of finishing our “Road Less Traveled” production. It is time to not only work at the goals of completion, but to begin discovering just where we can take our program. Our show is like trying to run the mile - it is a matter of personal self discipline and finding out just what we are made of. You must be **committed** in your rehearsal and performance. Being committed requires no exceptional qualifications, no magic formula, no special combination of time, place and circumstance. It is an opportunity that sooner or later is presented to us all. You must have the mental and physical **strength** to accomplish your goals. Strength is build through a daily system of exercise (repetition). Where we place is not near as important as how well we perform for this time of year. Also - are we getting better as a group each day?
