CLOTHES

Bring Band Shirts to wear for the Pizza Party after we change out of uniform. **DO NOT** wear the band shirt under uniform (will get sweaty and dirty!). Bring shorts and sneakers for after the performance. We will put uniforms on and ride the bus to SV that way.

EXPECTATIONS

This is **NOT** a contest! We are **NOT** going to SV to see who is “better”, etc. This **IS** an opportunity for Orange County bands, Crawford, and NE Dubois to have fun, see each other's shows, and have Pizza! We will play West Coast as a combined group, and, the SSB. Mr. L (ME) – will fully expect everyone associated with the Pride of Paoli Band (students, staff, adults, etc.) to be most complimentary of all the bands, and to have a “cheerful disposition” while there. Band is about music and performance, not “who can beat who”. That is what this day will be about. Also – SV as our host, is paying for the pizza party! Let's be sure to thank all those SV parents and students before we leave!

THIS WEEK'S SCHEDULE

TUE 6:00 - 8:30 (split band)
