Regional is an interesting contest, now that our format has changed! The bands across the state are divided into half and sent to a Northern or Southern Regional. However – a band can opt for the other site if travel is easier. Under the old format: Top 5 from the Regional advance to the State Finals (last year, all five came from our District alone!). Under the new format – the top 10 bands will advance out of each regional to a 20-band Semi-State for an opportunity to reach the State Finals (top 10).

How good is this year's Regional? The line up is at www.issma.net and www.prideofpaoli.org (eventually). Of these 16 bands, 12 have been to state finals before, and 9 within the last 3 years. If you wish to sit in the good seats (between the 40 yard lines), arrive around 11:00. If you wait until Paoli's performance, you will probably have to sit out near the side. However – Evansville has plenty of room!
