

Springs Valley Contest – Sat, Sept. 29, 2018

I'm writing this before the Floyd Contest – I'm sure we performed well! Hopefully, we did some of Part 3, and are doing more of Part 3 this week at SV – need to get moving on finishing the show!

7:49 Warm-up
8:27 **Pride of Paoli Performance!** Go Rams!
9:00 Awards – we are the last band before SV, so we will stay in uniform and move off to the side
9:30 Change out of uniform and pack truck
10:00(ish) Post changing/packing - meeting at the trailer by the buses for all students/parents (hopefully this went well last week at Floyd and becomes an after-contest staple of the PoP)
We will meet to go over scores, how the show went, etc. Will try to explain scores to parents and students both – this can be confusing. Please follow the new procedure for kids that want to ride home with their parents. See below:
10:15 Leave for Paoli
10:45 Home – will send out a message on Remind for ETA pickup for kids – text @762ehf to 81010 to join

If you want to ride home with your parent(s) after a contest instead of riding the bus: please wait for the meeting at the trailer to end and then come up to see me with your parent(s) so that I can see you leave with them, and I'll mark you off on the bus attendance. If you want to go home with a friend's parent(s), I need a note from your parent(s) stating that it is okay for you to ride home with your friend's parent(s). You need to give me the note from your parent(s), and I need to see you leave with your friend and their parent(s).

Weekly Schedule:
