Make sure you have on a layer of shorts/t-shirt under what you wear. I don't want to see naked/half-naked Paoli kids while we change into uniform. No, boxers are not shorts. No, Sports Bras are not a shirt. Yes, leggings are ok (but they still aren't pants!).**

10:25(ish) Meeting at the trailer by the buses for all students/parents

We will meet to go over scores, how the show went, etc. - Will explain scores to parents and students both – this can be confusing. Please follow the new procedure for kids that want to ride home with their parents. See below:

10:30 Leave for Paoli

12:30 AM Home – will send out a message on Remind for ETA pickup for kids – text @762ehf to 81010 to join

If you want to ride home with your parent(s) after a contest instead of riding the bus: please wait for the meeting at the trailer to end and then come up to see me with your parent(s) so that I can see you leave with them, and I'll mark you off on the bus attendance. If you want to go home with a friend's parent(s), I need a note from your parent(s) stating that it is okay for you to ride home with your friend's parent(s). You need to give me the note from your parent(s), and I need to see you leave with your friend and their parent(s).
