

TRASH BAG SALE – 2023

PRODUCT

1 Box of Trash Bags = \$26

100 bags per box

30 gallon capacity

16" x 14" x 37"

made of recycled and biodegradable material

WHO SELLS?

We ask that each band family try to sell 10 or more boxes to support the band.

- If you are in 5th grade music or 6th grade band, this is a great way to establish your account, and build it up before you need to use it in a few years. Many people in our community get their trash bags from the band (app. 1500 boxes a year!).
- Using the form on back, list people/companies who will buy 1 or more boxes.
- Tally up the total, turn in form to Mr. K by date listed on top of page.
- Don't collect any \$ until you deliver the bags.

HOW TO SELL

Best ways to sell these are:

- think about who uses trash bags - look for these people!!
- call family and friends - cover the neighborhood (any neighborhood), for most people like to buy their boxes from us. You make the sale, You get the credit! Move quickly, for others will be selling in your area.
- when boxes come in, go to band room and check them out from Mr. K. Deliver to your customers, collect \$ in the envelope, and turn it in.

CREDIT

Example -
Sell 50 boxes
And earn \$100
in band credit
for expenses!

- * We establish a band account for all students. Some of the projects are for them to build up their credit. This is one of them.
- Each box sold and \$ turned in will earn \$2 credit for that student.
- Band accounts may be used for any band expenses (band fees, trip fees, new instrument, private lessons, box of reeds, etc.)
- Several band families pay all their expenses this way - really helps out mom and dad!

E-mail List

Are you on the Band Booster email list? If not, and would like to receive advanced notice of band events / information / or even general stuff that your students cannot seem to bring home ... please write your address and you will be added.

Name & email ... be sure I can read it clearly!
